

Sign up for Pharma IT Academy's **Good Manufacturing Practice (GMP) course through your local job center and increase your chances for an exciting career in the pharmaceutical industry!**

We are thrilled to offer our **2-day GMP course** during your unemployment. To enroll, simply ask your job center to complete a payment commitment and send it to us in e-Boks

The payment commitment confirms that your job center will cover the costs of the course so you can participate without financial worry. Once we receive the payment commitment, we will confirm your enrollment and send you additional information about the course and practical details.

Our GMP course is the perfect opportunity for you to enhance your skills and knowledge in the pharmaceutical industry. Our instruction is comprehensive and practical, allowing you to build a strong professional profile and prepare for an exciting career. Following the course you will gain access to our Pharma IT Academy Network, so you can continue to stay in touch with your instructors and other course participants.

Sign up today! We look forward to having you at our courses!

Remember! You can always contact us via our e-mail: academy@pharmait.dk
